It is understood, however, that the said negroes are to remain on the said plantations until it shall be convenient for the said H. Johnson to remove them, it being his intention to ship them to Louisiana within the course of a few months, & that every facility is to be afforded him by the Managers on the said places in accomplishing the object. - And I do warrant the said negroes to be slaves for life, and the right & title thereof, I do warrant & defend unto him the said Henry Johnson, his heirs & assigns forever, free from the claim or claims of all persons whomsoever. -
